Hi Renea.

Did you specify a preference on dates, and if so, did you hear back concerning a confirmed date/time? Phil

Subject: Meeting on GP Crossett UAA and ADEQ Regulation 2 Changes

Miguel

ADEQ has been in discussions with Georgia Pacific Crossett related to the UAA performed by Parsons on EPA's behalf and EPA's request that ADEQ modify Regulation 2 to incorporate the conclusions of the UAA. They have asked that we facilitate a meeting with you related to the issues. They have proposed March 30 and April 2 as possible dates for the meeting. Their attorney will be present at the meeting. Do you have any time available on those dates? Any help you can provide is greatly appreciated.

Thanks

Ryan Benefield, P.E. Deputy Director, ADEQ
